

## CALL FOR PRESENTATIONS

### [AI]GLSP: Putting the "I" in AI in the Age of Digital Cultures

October 10–12, 2024

The 2024 Association of Graduate Liberal Studies Programs Conference will be presented in a virtual format. We invite proposals for presentations from graduate students, alumni and faculty at our 40+ member programs, as well as from other interdisciplinary studies, cultural studies, and ethnic studies scholars. We hope you will join us as we explore the conference theme of [AI]GLSP: Putting the "I" in AI in the Age of Digital Cultures.

**Submission deadline for proposals is June 1, 2024.**

Proposals may be submitted using this [online form](#) and should be a maximum of 250 words. Notification of acceptance will be given by July 8, 2024. Chosen presenters should expect to prepare a 15-minute presentation to be delivered in a virtual format at the conference in October. AGLSP encourages proposals from students and alumni, as these conference presentations provide both an opportunity for professional development, and a showcase for the work done in our member programs.

**PLEASE NOTE: All accepted presenters are expected to register for the conference and pay the nominal registration fee.**

Please visit the [AGLSP website](#) for conference details. Conference registration will open in the spring of 2024.
